Subject: Open Call for participation in Erasmus + Program with University of Cyprus

Based on the framework of Erasmus + program, University of Cyprus has gained a grant for scientific research and training in collaboration of University "Eqrem Cabej" Gjirokastrë Albania. According to the Agreement is required from University "Eqrem Cabej" Gjirokastrë Albania to participate as following:

1) A representative of academic staff who will be engaged in teaching for a period of 7 (seven) days at University of Cyprus.

According to bilateral agreement a representative of academic staff from University of Cyprus will be engaged in teaching for a period of 7 (seven) days at one of the departments of University "Eqrem Cabej" Gjirokastrë Albania.

Planning of teaching/training program will be done during academic year 2016-2017 and the language used will be English or Greek language in B2 level. According to the data from University Cyprus, in English language are only some modules in Finance & Accounting, Public Administration and English Language. The rest of programs is in Greek language.

If you are interested please submit to International Relations & Project Office within 20.09.2016:

- A letter of interest which stresses the individual research area and describes the cycle of lectures you as applicant think to hold during your participation in University of Cyprus. This letter should be compiled in two languages, Albanian and English,
- A detailed CV in EUROPASS CV compiled in two languages, Albanian and English
- A certificate of language knowledge of English or Greek language B2 Level

Your documents will be assessed first from Ad Hoc commission established in University "Eqrem Cabej" Gjirokastrë Albania and this assessment will be sent to University of Cyprus to get the final assessment for applicants who will be part of the mobility.
